

## CIRCULAR 8 – Proposed Motions Guidelines, Regional Committee Nominations Reopening & Governance Timeline

Dear Member Organizations,

We are pleased to share with you the following important documents available on our website:

- Conference Document 7A: Proposed Motions Guidelines
- Conference Document 7B: Proposed Motions Guidelines
- Conference Document 8A: Governance Timeline (including key dates and deadlines)
- Conference Document 2C: Regional Committee Nominations Form – Reopening (please find more information on the reopening below).

Please review these documents carefully to stay informed about procedures and important upcoming deadlines.

You can access the documents [here](#).

### **Regional Committee Nominations Reopening**

Thank you to the individuals and Member Organisations who submitted a nomination for the Europe Regional Committee 2025-2028. Since the nomination period closed in January 2025, a number of nominees have withdrawn from the process for personal reasons. As a result, there are now fewer nominees than available positions on the Regional Committee.

In light of the reduced number of nominees and the Committee's commitment to presenting the Region with a broad and diverse slate of candidates, the Nominations Committee has decided to reopen nominations. Nominees who submitted their applications by the original deadline and who are continuing in the process have already been confirmed as candidates by the Nominations Committee and do not need to reapply. However, details regarding their names and candidacies will remain confidential until the full slate of candidates is confirmed.

The deadline for submitting new nominations is **23:59 (UTC) on Monday 14 April 2025**. Nominees from all age groups are invited to apply.

This region is rich in talent and diversity, and we encourage you to review the attached materials and consider submitting a nomination if you have an outstanding volunteer who possesses the vision, skills, and dedication to serve our Movement at the regional governance level.
