

Closing Ceremony

Wednesday, July 23rd, 6pm – 1.30am

18th European Guide and Scout Conference
Conférence Européenne du Guidisme et du Scoutisme

Let's celebrate!

We are happy to welcome all of you to one of the most authentic buildings in Vienna – the WUK:

An early industrial monument, a grassroots socio-cultural centre, a multi-disciplinary venue, and one of the largest cultural centres in Europe.

We'll spend the evening together with a live scout band and two DJs – join us on a journey through Austrian and international music!

- We look forward to seeing you between 6 and 7pm in your festive scouting outfit
- Route suggestions will be provided – please allow 20 to 30 minutes to get there from Hotel Wimberger / Flemings
- Please note: no outside drinks are allowed at the venue
- Help us by returning your cups and glasses – this helps us save on the mandatory deposit

Any questions? Feel free to contact us!
