Platform Guide Introduction

This is a guide on how you can navigate the Cvent platform correctly to find sessions and useful documents. If you have any questions on how to use Cvent, you can contact us at EU.ReCo@WAGGGS.org

To access the platform's "Attendee Hub", you will find your link in the Circular 14 email. Once you click the link, you will be asked to enter your first name, last name and the email address you registered with. You must use the email address you used to register your details, as the system will recognise your details based on your email. You will find more information and useful pictures in the Attendee Hub section.

Within the Attendee hub, you will be able to find an agenda with all of the sessions listed and a page with all of the Regional Conference documents. For Head Delegates, you will be able to cast your vote on Proposed Motions and the election of Regional Committee Members on Cvent. You can find more about how voting will work on [page 18](#).

Please note, Cvent is a browser-integrated web platform; therefore, you do not need to download any other software. You can access the Attendee Hub on any internet browser (Google Chrome, Firefox, Microsoft Edge, Ecosia etc.)

Cvent is integrated with Zoom, therefore all of the sessions you join will be hosted on Zoom. There is a Zoom guide to help/provide a refresher on where to find the key features in Zoom. You can find this guide on [page 11](#).

We recommend that you login into the attendee hub before the Orientation sessions on the 2nd July and 10th July.

We aim to create a safe space for all attendees during the Western Hemisphere Regional Conference. We kindly ask for your support us with this by being respectful towards other attendees, staff members, volunteers and during sessions. The Regional Conferences are a space where we can come together to share good practice, common challenges we face and identify opportunities to work together.

Voting Guidelines for Head Delegates

During the Regional Conference, we will be voting through the Cvent platform.

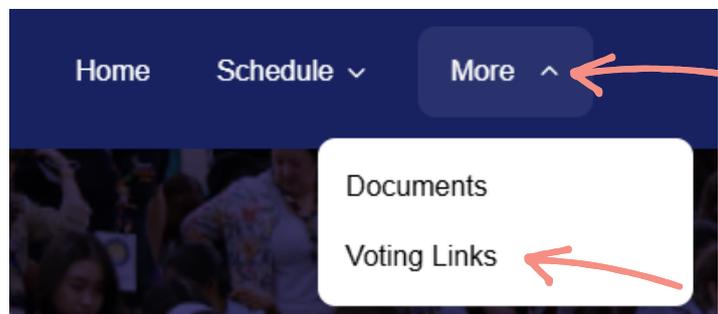

Head Delegates will be able to access the voting links via the Attendee Hub or via a QR code that will be shown on screen during the voting session.

Head Delegates are encouraged to log into their Attendee Hub before a voting session starts. This will ensure that you are ready when the time comes to cast your votes.

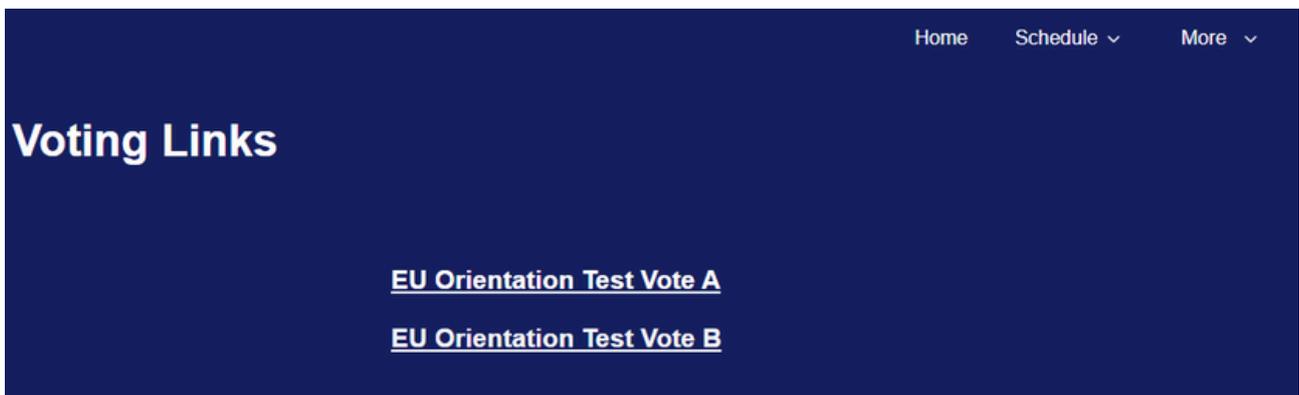

Follow the steps earlier in the guide on page *** for details of how to login to the Attendee Hub.

Where to find the voting links

On the Attendee Hub click on the “More” button to access the dropdown list and then click on “Voting Links” as shown below.

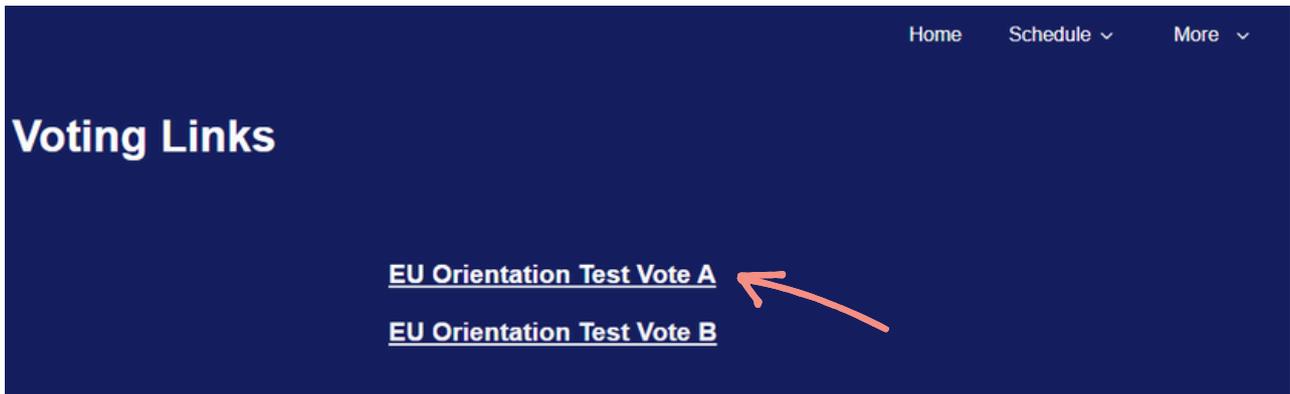

This will take you to the page with all the voting links which will look similar to the page shown below.

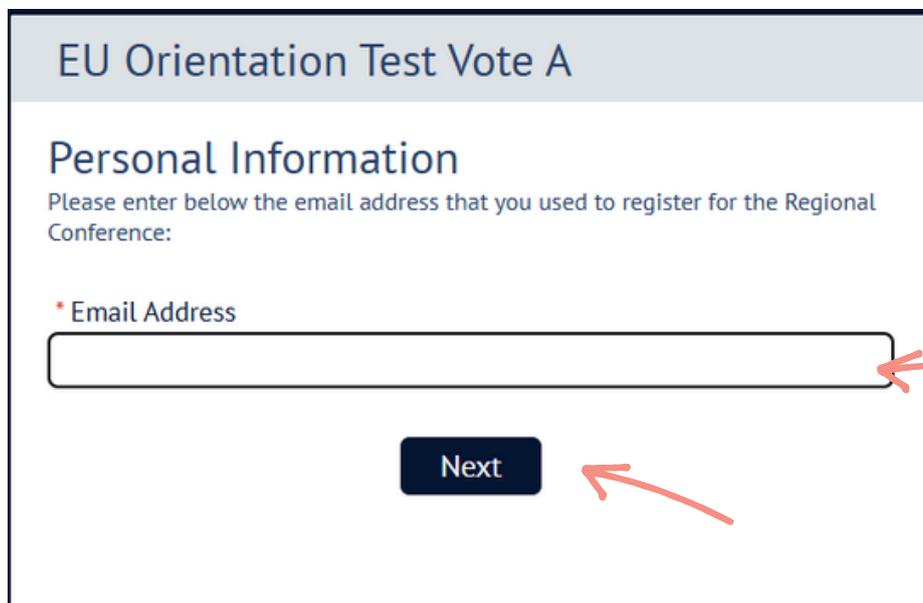

How to submit your vote

At the appropriate time, when the Conference Chair or Procedural Team Coordinator announces that voting is open, click on the relevant link from the list. In the example below we will click on WH Orientation Test Vote A.

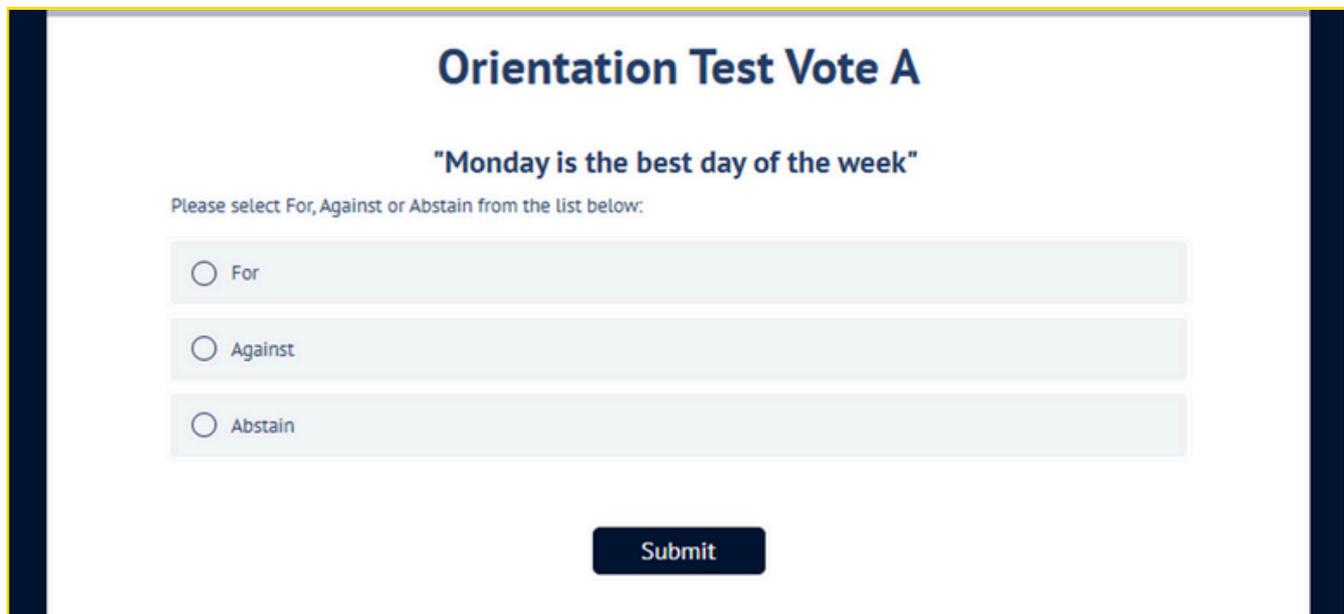

A new browser window will open and you will see the screen below asking you to enter your email address. This is so that the platform knows you are eligible to vote on this Proposed Motion.

A screenshot of a web form titled "EU Orientation Test Vote A". The form has a header with the title. Below the header, it says "Personal Information" and "Please enter below the email address that you used to register for the Regional Conference:". There is a label "* Email Address" above a text input field. A red arrow points to the input field. Below the input field is a dark blue button labeled "Next". A red arrow points to the "Next" button.

Enter your email address and click the 'Next' button. This **must** be the email address that you used to register for the Regional Conference (you will also need to use the same email you registered with to enter the Attendee Hub).

The voting page will then open as shown in the example below:

The screenshot shows a voting interface with the following elements:

- Title:** Orientation Test Vote A
- Statement:** "Monday is the best day of the week"
- Instruction:** Please select For, Against or Abstain from the list below:
- Options:** Three radio button options: For, Against, and Abstain.
- Action:** A dark blue 'Submit' button at the bottom center.

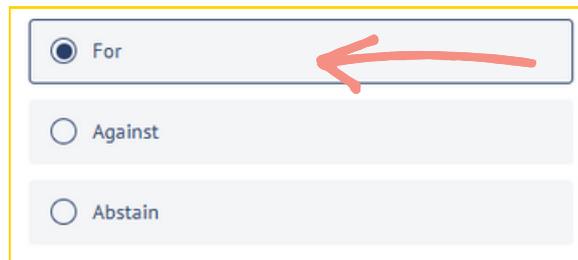

For each vote, with the exception of the election of the Regional Committee, there will be three options:

- 'For'
- 'Against'
- 'Abstain'

Please note that, as per our [Rules of Procedure](#), only votes For and Against will count. Abstentions do not count when determining the number of votes cast. "Abstain" means you do not want to express an opinion. As much as possible, we would like to encourage the Head Delegate to take part in all votes: if you do not wish to express an opinion, you can select "Abstain".

If you are in favour of the Proposed Motion or Proposed Amendment, please select the first option:

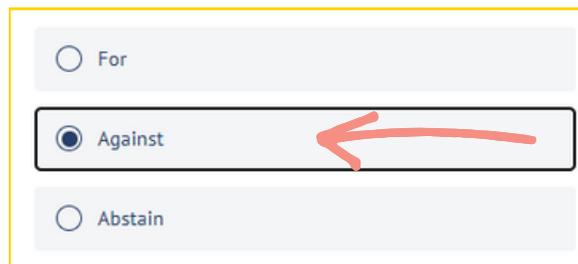

'For'

A voting form with three radio button options: 'For', 'Against', and 'Abstain'. The 'For' option is selected, indicated by a filled circle and a red arrow pointing to it from the right.

If you wish to vote against the Proposed Motion or Proposed Amendment, please select the second option:

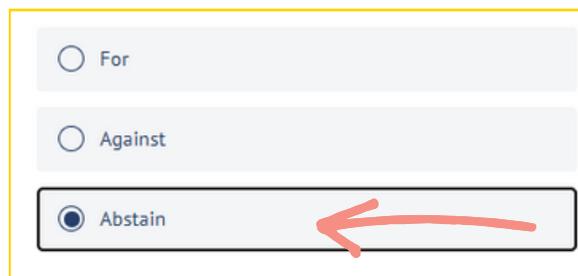

'Against'

If you do not wish to express an opinion on the Proposed Motion or Proposed Amendment, please select the third option:

'Abstain'

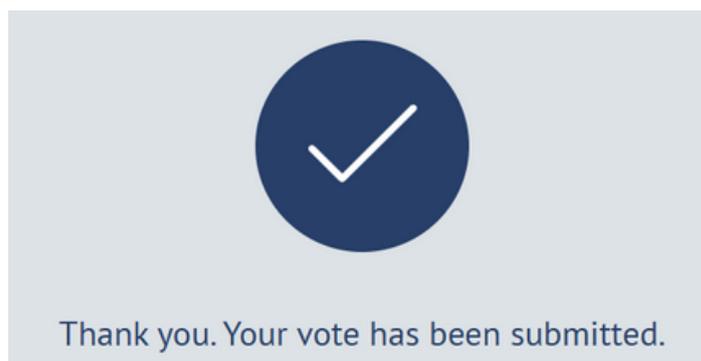

A voting form with three radio button options: 'For', 'Against', and 'Abstain'. The 'Abstain' option is selected, indicated by a filled circle and a red arrow pointing to it from the right.

Select your preferred option and click "Submit Vote".

Once you have submitted your vote, a "thank you" message will appear as shown below. At this point, you can close the voting page.

For the election of the Regional Committee, the names of the candidates standing for election will be displayed in alphabetical order on the voting platform.

Head Delegates will be asked to select up to six candidates from the names listed.

You can select less than six candidates if you wish.

The platform will not allow you to submit your vote if you have selected more than six names.
